

Hallucination Hunt Scorecard

Instructions

Use this scorecard to practice catching AI errors. Ask AI a factual question about your industry, then verify every claim.

Step 1: The Prompt

Ask AI: "What are the current federal tax filing deadlines for a small business LLC in [your state]?"

(Or substitute any factual question specific to YOUR industry)

Step 2: Score Each Claim

For each specific claim AI makes, check it against a real source:

Claim 1: _____

AI said: _____

Verified source: _____

Accurate? ☐ Yes / ☐ No / ☐ Partially

Claim 2: _____

AI said: _____

Verified source: _____

Accurate? ☐ Yes / ☐ No / ☐ Partially

Claim 3: _____

AI said: _____

Verified source: _____

Accurate? ■ Yes / ■ No / ■■ Partially

Results

Total claims checked: ____

Accurate: ____

Inaccurate: ____

Partially correct: ____

Key lesson: AI gets the structure right but the specifics wrong. ALWAYS verify before using.
